

Purchasing
a
new home
can be a
puzzle.

You **know**
which
critical pieces
to consider.

Are there
any pieces
you've
skipped?

Fit all of these
key pieces
together —
ask for
the **ENERGY STAR®** label
on your
new home.

ENERGY STAR
Homes
can complete
the puzzle for you!

ENERGY STAR Homes

save
you **money**
and
help **protect** the
environment.

EPA's ENERGY STAR Homes Program

is endorsed by the National Association of
Home Builders and supported by
Edison Electric Institute, the American Gas
Association, and thousands of U.S. home
builders and businesses.
